SPORTS 1975

The 1974 football team earned a fine record of nine wins and one loss. After "splitting" their first two games they won their last eight in a row including the first Thanksgiving game ever played at Grafton.

The team was led by tri-captains Mike Lar-gesse, James Augustine and Mark Filgerleski. Other seniors who made valuable contributions to the team were Mark Gemme, John Kreele, Bill Sweeney, Ron Smith, Jim Ouellett and Scott Richardson.

The girls' Field Hockey team finished second in the S.W.C.L. Championship, with a record of 10-1-3 and attended for the first time the District 111 tournament.

Playing in front of a strong defense, who in 7 games held the opposition scoreless, the offense scored thirty four goals. All in all it was a very successful season.

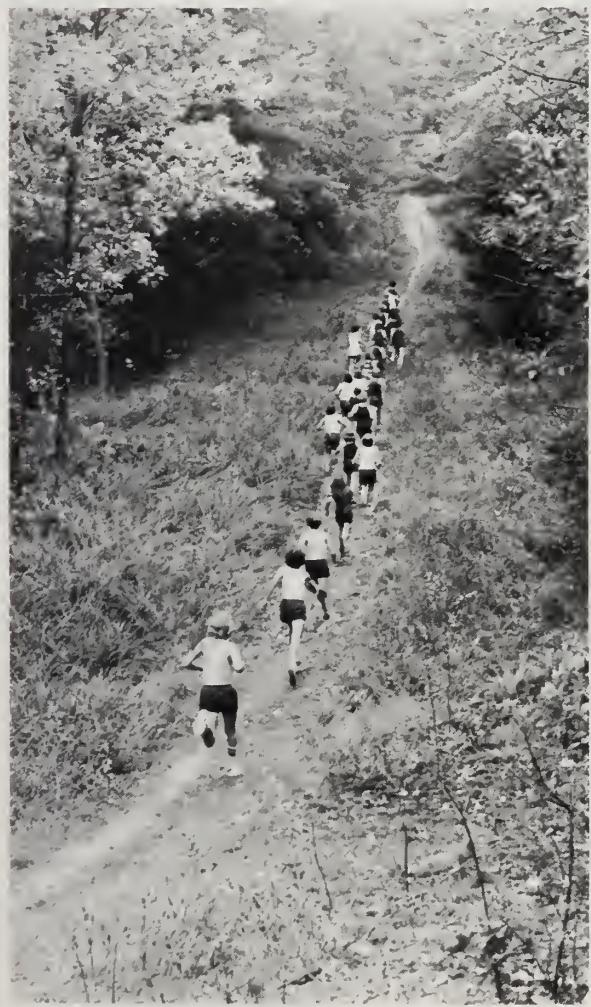

The Cross Country team had an uneven season of 3 wins, 1 tie and 8 losses. The loss of many fine runners effected them and the next few years will be spent developing a league winning team.

After losing many experienced players the girls' Basketball team fought their way to third position in the S. W. C. L. Championship, only to lose to arch rival Oxford in the District 111 playoffs.

The strong shooting of captain Peg Peterson will be missed, but in those remaining there is great potential.

The Basketball team played good basketball despite their 7-11 record. Many of their losses were by only a few points and these games weren't decided until the last few minutes, or in some cases, the few seconds. The loss of the seniors will surely be felt.

This was Grafton High's first year of Varsity Hockey. They had an overall record of thirteen wins and three loses.

Led by captain Mark Gemme they were an exceptional team from the standpoint of working together and achieving their goal, which was to get a berth in the state playoffs.

The 1975 girls varsity softball team has a successfull season due to strong performances from 5 returning letter winners and brilliant play by the first year players. Their record 11-3 gave them 2nd place in the SWCL. They are looking forward to a rewarding season next year.

The Baseball team finished with a record of 15-6. The team placed second in the SWCL and went to the semifinals of the district playoffs before losing 5-3 to the eventual District Champions, Sheperd Hill.

The club offensively was led by Jim Lewis, Paul Robar, Chris O'Bara and Kevin Shannon. Chris Kneeland, Steve LeMay and Doug Smith also contributed some timely hits. Defensively the club was led by the double play combination of Chris Kneeland and Paul Robar. Steve LeMay also made some outstanding plays at third base.

The hitting and outfielding of Bill Sweeney was missed when he suffered a broken ankle early in the season.

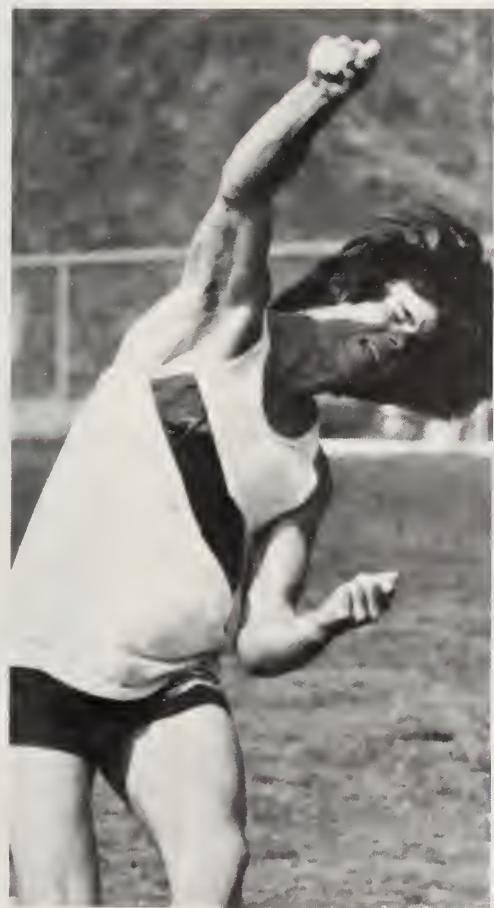

With an extremely bright future before them the track team finished with a record of 2-9. Many individual records were set. Such as: Randy LaFontaine ran the 880 in 2 minutes and 10 seconds. Ray Ojerholm threw the discus 118 ft. and 6 in. and Jack Chartier throwing the javelin 145 ft. Having excellent futures are Kip Lapworth, Paul Pietal and John Harrington.

The following section of the yearbook is devoted to the satirization of past high school yearbooks that have followed a more traditional format than some, put out at present (hopefully including our own). The editors of this portion, in their despair and boredom with the traditional yearbook, wish to make it clear this satirization is done in that spirit and was not devised to ridicule any one person or group of persons. In such a case, permission from those persons was given in advance.

The point of the special section is merely an attempted mockery of past yearbooks in and out of Grafton High which have followed the same basic format for many, many years. It is done, assuradly, purely in jest. In no way should this writing be offensive to any particular person, for the intent was merely to break the trend of the more typical aspects of most yearbooks printed past and unfortunately, in some cases, present. If you happen to like most yearbooks, then all we can tell you is to turn the next few pages very quickly.

The editors wish to thank all the students and faculty that more than willingly participated in this "experimentation" and regret that their names cannot be listed. Special thanks to Mr. Donald Dodd for his time, effort, and unmet deadlines.

MOGARD HIGH

1960

ANNUAL
YEARBOOK

Foreword

As we, the class of 1960 leave Notfarg High School forever to go our separate ways, we pause to remember the wonderful experiences which we have shared. As we recall the events of these very important years, we see again our beloved three-in-one-town--North Notfarg, Center Notfarg, South Notfarg--with its tall trees and dusty roads, its hills and quiet valleys, its new homes and budding industries. These scenes of childhood, along with our teachers and friends, now belong to the past.

We know not what the future holds, but we face the unknown with calm, sure faith and the abiding conviction that our high school education has prepared us to follow wherever our paths may lead. And always, when things go rong, we will look again on these ageless hills, from whence cometh our help.
